Member Check-In:

Things to improve upon:

- Ensure everyone has invite and event details for meetings
- More inclusivity among all sectors - more representation in under-represented sectors and have all voices at the table
- New focus on communication and language to be inclusive for those in non prevention-oriented roles

Do we have all members at the table? - 39% said unsure

Under-represented sectors:

- Business
- Law enforcement
- Media

Trainings Requested:

- Communication of upcoming ADAMHS trainings and community resources
- Train the Trainer opportunities

What we Do Well

- Camaraderie and Communication among coalition members
- Productivity - feeling like we are actually doing something about the problems we see in our community
- Good communication
- Allowing opportunities for creativity
- Providing a safe space
- Good organization

Subcommittee Updates:

Schools of Excellence in Prevention (SEP) - Amie Burr

- All of the schools involved have decided to continue mental wellness programming!
- SEP Schools
- SEP helped Mad River Virginia Stevenson Elementary School from bronze to platinum

Cory Miller - Virginia Stevenson at Mad River

- Working on mental wellness of students, staff, and families as a priority
- Mentorship and resources provided from SEP has been helped them be successful with all initiatives and models
- Reaching the highest honor of platinum this year!!! - due to the resources provided by SEP
- Highlights: biggest success was using peer to peer and peer to adult communication, including custodians and secretaries
- "Build a relationship with a trusted adult in the building"
- Lots of success with PAX
- Biggest success was having data to show which kindergarten students do not have the skills needed to start kindergarten and work with those students weekly to get them on track and acclimated

Power Based Violence - Zola Howard and Megan Garrison
